

## INS PASS OUT; OUTS PASS IN

Governor Cutler Entertains  
Members of Press at the  
Close of His Term.

## NEW MEN TAKE HOLD FEW CHANGES TAKE PLACE IN STATE OFFICES.

Last evening former Governor John C. Cutler entertained members of the press at dinner at the Commercial club, when farewells were said. The governor made his guests thoroughly at home, and a pleasant hour was spent. Before the governor departed, Governor Cutler briefly addressed the boys. To the younger men the former governor added some words of advice and encouragement and related some interesting experiences in his career in business.

Governor Cutler will leave today for Los Angeles and will spend some time with his family on a ranch he owns near the City of Angels.

## New Men at the Helm.

Governor William Spry took over the office with his private secretary, John K. Hark, yesterday and found everything ready for his tenure. That everything was so completely ready was the subject of comment from the new governor to his predecessor. The new governor greeted the newspaper men heartily and assured them of a welcome in the office at all times.

Jesse D. Jewkes took possession of the office of state auditor during the morning, but asked the retiring auditor to remain with him for a month and help to get the work of the new staff under way. Charles Heimer, clerk in the office, will also remain for a time. H. A. McMillan, state statistician, and E. A. Box, clerk, retire. Mr. Jewkes has not appointed his staff as yet, but L. G. Kelly, formerly of Millard county, will probably be chief clerk. T. Haines, editor of the Emery County Progress, will succeed Mr. McMillan as state statistician. The other appointments will be made when Mr. Edwards and Mr. Heimer retire.

There are no changes in the office of C. S. Thayer, secretary of state, and few in any of the other state offices. J. L. Eldridge Jr., retiring county clerk, said good-bye to the clerk in the office. His chief deputies, W. H. Farnsworth and William E. Jenkins, both of whom have been popular in the office, made their farewells at the same time.

## A Religious Author's Statement.

For several years I was afflicted with kidney trouble and last winter I was suddenly stricken with a severe pain in my kidneys and was confined to bed eight days unable to get up without assistance. My urine contained a thick white sediment and I passed some frequently day and night. I commenced taking Foley's Kidney Remedy, and the pain gradually abated and finally ceased and my urine became normal. I cheerfully recommend Foley's Kidney Remedy. F. J. Hill Drug Co.

## STILL WORKING ON PLANS FOR THE AUERBACH STORE

Henry J. Wallace, general manager for F. Auerbach & Brother, is home from New York, where he went to confer with the architect over the new building to be erected on the site now occupied by the old building on Main street. It is Mr. Wallace's opinion that the work of tearing out the old building and erecting the new one will not start before spring. When he left New York City it had not been definitely decided whether reinforced concrete or steel would be used for the superstructure, and many other points are still to be settled.

The intention is to remove the south section of the old building and substitute the new building for that part before touching the north section. In this way the business of the firm will go right along without interference. When the south section of the building is completed the stock will be moved into that section and the north half of the building erected. When all is completed the entire building will be uniform in construction and appearance. This method of building is followed in eastern cities where it would entail a great loss to discontinue business altogether while the new structure is taking the place of the old.

## Breeden Office Supply Co. Ready for Business

With a stock of new goods, ready for the new year's books and transfers, occupying the corner of the Dooly building.

A big reduced fire sale will be opened next week in the old location.  
Telephone 729.

## WIDE INTEREST IN GOOD ROADS

Convention to Be Held on Jan.  
14 and 15 Will Be Mem-  
orable Gathering.

## TO ENTERTAIN DELEGATES

VISITORS WILL BE GIVEN WARM  
WELCOME.

There will be a meeting Wednesday evening of the committee recently appointed by Governor Cutler to make arrangements in various ways for the presentation to the state good roads convention which will be held in this city Jan. 14 and 15 of plans in the outline for proposed legislation along this line. The committee is composed of prominent men in various walks of life. Governor Cutler gave due heed to the fact that lawyers must be on the committee in order that any bills that are drafted be water tight and test proof, so far as the constitutionality of the laws is concerned. This committee consists of Caleb Tanner, state engineer; Orson Hewlett, president of the Salt Lake Automobile club; J. B. Swenson, county surveyor; Judge O. W. Powers, D. R. Roberts of Logan and Judge A. C. Ellis.

At the meeting on Jan. 11 the Salt Lake Automobile club will be represented by this delegation: Samuel Newhouse, Judge O. W. Powers, M. D. Joseph, Jacob Morris, D. C. Jackson, C. A. Quigley, W. Mont Perry, C. A. Pearsall, David Keith, C. W. Mount, Van D. Spaulding and J. G. McDonald.

## To Entertain Delegates.

Arrangements have been practically completed for the entertainment of the visiting delegates. The Automobile club and the Commercial club have come together on this proposition. There will be refreshments and an informal luncheon or two.

For the convention delegates there will be badges of silk in red. These will contain the words, "Delegate Good Roads Convention, Salt Lake, Jan. 14, 1909." These badges will be fastened to the coat lapel with the "booster" button, in blue and white.

## Attendance Will Be Large.

Interest in the convention is increasing daily. Responses to the invitations are coming in rapidly, and the prediction made at the beginning that the attendance would number a thousand bids fair to come true.

That the government is alert about the movement in Utah is attested by the fact that from Washington will be dispatched for this meeting the chief of the good roads division, Logan W. Page, a man of international reputation as a road builder. Mr. Page will deliver at least two addresses, and will probably make other brief talks. Mr. Page also will be taken for a tour of inspection of the proposed boulevard between Salt Lake and Saltair.

If you will take Foley's Orino Laxative until the bowels become regular you will not have to take purgatives constantly, as Foley's Orino Laxative positively cures chronic constipation and sluggish liver. Pleasant to take. F. J. Hill Drug Co.

## REPORT OF POLICE DEPT.

Red Light Shake-up Removes Chief  
Source of Revenue.

The monthly report of the police department is somewhat attenuated as compared with that of December a year ago, when the receipts were \$1,554.75, and for 1905, when they amounted to \$1,725. For December of 1908 only \$257 was received, and \$40 of this was from state cases, of which the city gets half.

The falling off is entirely due to the fact that no revenues are now derived from fallen women. There were only four arrests in this class, and those arrested paid no fines.

There were 228 cases in all in the police court during the month. During 1908 only \$300 was received in the police court from state cases, as against \$1,581.35 during the preceding year. There were plenty of what are known as state cases on the docket, but they have not been carried to a conclusion. 159 in a bunch having been wiped off the slate at a stroke last week.

## You Will Be Glad

If you see us now about that wall paper and painting. New goods and the best of workmen.

Both phones. 110 W. Second South.

## LAME BACK AND RHEUMATIC PAINS

Are Nature's Danger Signals—Prescription From Prominent Doctor.

The following prescription, while very simple and harmless, will be found to work wonders in curing lame back and all kinds of rheumatism, purifying the blood and kidneys and restoring the system to normal health and vigor. It is inexpensive considering its effectiveness, and can be mixed at home. The ingredients are well known and can be supplied by any well stocked drug store.

"One ounce compound syrup of Sarsaparilla; one ounce Tonic compound. These to be added to half pint of whiskey and used in tablespoonful doses before each meal and at bed time. The bottle must be shaken well each time."

Good results from this treatment come after the first few doses, although it would be a mistake to discontinue its use until the health is fully restored."

## Exquisite Flower Fragrance

Rehall Harmony Violet Perfume  
is the essence of a million violets,  
condensed in a bottle.

A few drops of this enchanting  
perfume leaves a refreshing atmos-  
phere about you. 75c ounce.

## Druehl & Franken

271 Main. Bell 100 and 188; Ind. 100.

Rehall Headache Powders will quickly stop it. Harmless—sure. 25c.

## REPORT COMBATS DETENTION HOME

H. H. Thomas, superintendent of the State Industrial school, in an addition to the annual report of the school, filed with the governor, takes a strong stand against the establishment of detention homes in the several counties of the state. He considers that to do this would be to place the present school in the light of a prison and seriously impair its work. He favors the cottage basis at the institution and wants it equipped with trade facilities. Mr. Thomas says:

"The course that to me seems the most prudent, the most economical and by far the most productive of good to the boy is to place this institution absolutely upon a cottage basis, equip it with trade facilities and make it all in all a school where the boy or girl of bad environment or wayward tendencies and of unfortunate parentage may be sent and properly trained. If this were done the boys and girls could be segregated as to their habits and tendencies and the immoral kept to themselves."

## The School Population.

The report gives the number at the school as 94 boys and 20 girls, or 114 in all. There are also 305 on parole or furlough, making 419 under the jurisdiction of the school. To take care of these boys and girls costs the state \$6,200 cents per capita, against 73.87 cents, the cost in 1905-06. The slight increase is due to the increased cost of living.

The appropriation for the school for the past two years was \$142,570.11, and the expenditures have been kept within this, a balance being shown of \$15,450.33. For the coming year the governors ask an appropriation of \$163,990.

The biennial period is stated to have been one of rehabilitation more than anything else. One of the greatest achievements is the building of the waterworks system at a cost of \$7,000, and a further appropriation of \$1,500 is asked for this purpose.

## Three Large Fires

In one week in the heart of the business district. What next? Are your valuable papers protected against loss by fire? Take no chances, when for the small sum of \$2.00 a year, you can have the complete protection of our fire and burglar-proof vaults. **Assessment Notice.**

SILVER KING CONSOLIDATED MINING COMPANY of Utah. Principal place of business, Salt Lake City, Utah.

Notice is hereby given that at a meeting of the directors held on December 4th, 1908, an assessment of ten (10) cents per share was levied on all the issued and outstanding shares of the capital stock of said corporation, payable on January 6th, 1909, to G. W. Browning, Secretary of the company, at rooms 411 and 402, Atlas block, West Second South street, Salt Lake City, Utah, or to Spritz, Voll & Co., 312 Traction building, Cincinnati, Ohio. Any stock upon which this assessment may remain unpaid at the close of business on January 6th, 1909, will be delinquent and advertised for sale at public auction, and unless payment is made before, will be sold on January 20th, 1909, to pay the delinquent assessment, together with the cost of advertising and expense of sale.

G. W. BROWNING, Secretary.  
Office, 401 and 402 Atlas Block, Salt Lake City, Utah.

**Notice of Special Stockholders' Meeting.**

NOTICE IS HEREBY GIVEN that a special meeting of the stockholders of the Talsman Mining company will be held at the company's office, No. 403 Judge building, Salt Lake City, Utah, on Monday, Jan. 5, 1909, at 3 o'clock p. m. of said day, to consider the question of a consolidation of this corporation with the corporation known as the Cedar Mining company, and if deemed advisable, and if favored by a majority in amount of the outstanding capital stock, then to adopt such resolutions as shall be necessary to effect such consolidation and to fix the terms and conditions thereof.

W. J. BARRETTE,  
President Talsman Mining company.  
H. C. GAW,  
Secretary Talsman Mining company.  
Dated Salt Lake City, Utah, December 23, 1908.

Transfer of stock for representation at above meeting must be made on or before Jan. 10, 1909.
